The author examines the repertoire, authenticity and instruction of American Indian music

Read Book The Americans

in elementary school music programs and includes an analysis of the music in selected music series and supplemental resources. The analysis calls into question the authenticity of American Indian music presented in the textbook series, in which stereotypes and pseudo-Indian songs continue to appear. The study

Read Book The Americans

provides new information regarding the instruction of American Indian music in Oklahoma, and shows the affect of demographic variables of teachers and students on pedagogical content and practice.

Studying the drama of any culture offers insight into the characters' -- and even society's --

Read Book The Americans

everyday lives, values, and concerns. Amy K. Rathburn's textbook offers insight into the American experience through study of Oklahoma, Raisin in the Sun, Death of a Salesman, and Casablanca. Students will read, watch, and perform material that is both entertaining and engaging, which will

Read Book The Americans

sharpen reading, writing, listening, and speaking skills. Taking Center Stage introduces students to drama in its many presentational forms -- stage, radio, television, and film. Taking Center Stage is an advanced-level textbook in Alliance, the Michigan State University series for content-based methodology that

Read Book The Americans

integrates study of a particular discipline with techniques for learning a language. The rationale for a content-based approach is that material relevant to the student increases motivation and promotes effective language learning.

Teachers who have not taught content-based courses or are not well-versed in American

Read Book The Americans

drama can rely on the textbook and teacher's manual for lesson plans.

A resource for teachers, parents, and students retells American history from the viewpoint of Native Americans and includes lesson plans that reinforce the themes of each chapter
