If you had the power within your reach to insure your own immortality, would you risk all to grasp it? Think about it. No longer would you plead for the mercy of others. No longer would you bow to invisible masters. No longer would you struggle for table scraps. You could become master of your own destiny. You could become as God. Drawing on the findings of science, religion, sociology, psychology, philosophy, mythology, history, ancient texts, and metaphysics, The Dark Arts of Immortality explains how to harness and augment the energy of our innate drives. Through personal combat, sexual fantasy, and mystic rituals the death drive (mortido), sex drive (libido), and growth drive (physis) can provide doorways to supra-consciousness. These core altered states of being (fury, ecstasy, and exaltation) grant preternatural physical, mental, and spiritual abilities. The synthesis of these attributes will elevate personal power in this world and allow one to manifest a divine Being in the afterlife.

A comprehensive guide to black magic for anyone of any level, from neophyte to adept. day genetic interventions and enters the world of those whose lives are shaped by a belief in immortality.

A psychopathic wizard. An immortal mage. An epic battle of wills. Nikolai doesn't want much out of life: sex, immortality, and the power to disembowel anyone who crosses him. But with dark magic forbidden, his only option is Medea—a mage so deadly even the Enforcers give her a wide berth. Despite dire warnings that her apprentices don't survive, Nikolai won't stop until she agrees to train him. After all, he's a killer himself. Barbaric and brutal, the training is a far cry from what Nikolai expects. When a mysterious illness strikes Nikolai down, he suspects he's found the secret to Medea's longevity. He resolves to find out what happened to her previous apprentices. If he can locate the source of her power, he can turn it against her. Medea swore off training dark wizards—none of them take the craft seriously and the ungrateful bastards always try to kill her. This one definitely seems the backstabbing type, but magic is dying out and she hasn't felt such magical strength in centuries. If she can control the boy, show him that magic is more than curses and necromancy, he might obtain the power he desires. If not, well... What's one more dead apprentice? If you enjoy dark fantasy with quirky, morally grey characters and humorous banter (but no romance), this is the book for you!

"An explosion of chills fluttered in every direction throughout his body. He longed to feel her against him." Her mind raced with the possibilities, but more so the consequences of such actions. Amber Wilmington was considering committing one of the most forbidden acts. How could this work? When a dark and deeply rooted secret surfaces as her brother Danny Wilmington uncovers a plot to eliminate the vampires from the wizarding world, it quickly becomes about preservation of their existence. He and his friends MUST determine the best course of action, while holding this secret in limbo. Can they keep this secret from the wandering ears of others? "This ya paranormal romance is the perfect start to the new school year." Experience the emotional struggle that the young witch Amber, and a young vampire face as they enter the forbidden territory of intimacy. This YA adventure fiction tells a story of two very different worlds coexisting and the conflict that arises when Danny Wilmington discovers a secret that forever releases a new reality. The Wisdom of Kabbalah offers amazing keys to achieve fulfillment at all levels. Elias Rubenstein leads you on an interesting journey to the secret tree of life. Find the answers to the most important questions of life and discover the exciting mystery of the Bible.

From the author of "Vampyre's Bible" and "Necronomicon Anunnaki Bible" comes a revolutionary new underground bestseller: CYBERNOMICON -or- True Necromancy for the Cyber Generation: The Future of Dark Arts & Forbidden Sciences in the 21st Century by Joshua Free. Since the age of Babylon & Egypt, magical tradition appeared as innate and indigenous forms of cultural and religious expression to give "order" to the human psyche. The Ancient Mystery School from which all occult lodges are founded is Necromancy. Deep rooted magical organizations all demonstrate active participation with "The Other," bridging a communication between what is Visible and Invisible. Inner Circles maintain Dead Names and Knowledge from the Past. These are the Teachings of the Ages, Secret Wisdom of the Past... and a recovery of what is Dead. Humans have been trying to crack the code on "Death" since the beginning of time. In Egypt, especially, the funerary process was central to the whole tradition-meaning the relationship (and promise) made between the "sky gods" and the people of Earth. Most of the oldest cuneiform writings in Mesopotamia are either an effort to preserve posthumous legacies of gods and kings, or investigations into the landscape of the Underworld and nature of the Abyss. Mystics and Magicians demonstrate an upper hand in life by manifesting their will and finding themselves in synchronistic circumstances that seem magical. Understanding energy fields, their interactions and its affect on perceived reality is what makes this possible.
