Words and phrases you must know for KPOP, Korean dramas, movies and TV shows.

Korean language and KPOP language are two very different things. Korean pop culture has an exceptionally unique language and it still evolves further as the K-POP, K-Drama, and K-Movies have been expanding to other countries and beloved by other language speakers. Some KPOP words wouldn't be easy for even a native Korean speaker to even guess what they mean. That's because it requires a deep understanding of the cultural background first before anything else.How to Speak KPOP is the most straightforward guide book to learn Korean words from Korean dramas, movies, and pop culture. It uniquely combines the most popular Korean slang words and trendy phrases that cannot be found in the ordinary Korean language textbook. And it will give you a full explanation of the cultural background of the word and help you to undersand why it is being used like that. This book will give you a fun and easy way to learn the most popular Korean words one by one.It will also help you to know how the word is pronounced with the Romanized alphabets. Please don't forget to read and say a word from the examples. The examples are thoughtfully picked to sound just like a native and a true KPOP fan who knows what KPOP language is all about. Try out words you learned to your Korean friend or write a fan letter with them to your favorite idol star. They will be pleasantly surprised.Learning a foreign language is very rewarding, and learning a cultural background even opens your eyes and heart to a whole new experience. You will get both from this book!
