The Member of the Wedding is a 1946 novel by Southern writer Carson McCullers. It took McCullers five years to complete, although she interrupted the work for a few months to write the novella The Ballad of the Sad Café. In a letter to her husband Reeves McCullers, she explained that the novel was "one of those works that the least slip can ruin.

Loneliness.

The novel that became an award-winning play and a major motion picture and that has charmed generations of readers, Carson McCullers' classic *The Member of the Wedding* is now available in small-format trade paperback for the first time. Here is the story of the inimitable twelve-year-old Frankie, who is utterly, hopelessly bored with life until she hears about her older brother's wedding. Bolstered by lively conversations with her house servant, Berenice, and her six-year-old male cousin — not to mention her own unbridled imagination — Frankie takes on an overly active role in the wedding, hoping even to go, uninvited, on the honeymoon, so deep is her desire to be the member of something larger, more accepting than herself. “A marvelous study of the agony of adolescence” (Detroit Free Press), *The Member of the Wedding* showcases Carson McCullers at her most sensitive, astute, and lasting best.

A novel that became an award-winning play and a major film, and that has charmed generations of readers, *The Member of the Wedding* is a story of the inimitable twelve-year-old Frankie, who is utterly bored with her life until she hears about her older brother's wedding. Bolstered by lively conversations with her house servant, Berenice, and her six-year-old cousin—and her own unbridled imagination—Frankie takes on an overly active role in the wedding, even hoping to go (uninvited) on the honeymoon. With delicacy of perception and memory, humour and pathos, Carson McCullers spreads before us the three phases of a weekend crisis in the life of a motherless twelve-year-old-girl. Within the span of a few hours the irresistible, hoydenish Frankie passionately plays out her fantasies at her elder brother's wedding. Through a perilous skylight we look right into the mind of a child torn between the yearning to belong and the urge to run away.

Her brother's wedding intensifies a twelve-year-old's need to be recognized as an important person.

The Lonely Hunter is widely accepted as the standard biography of Carson McCullers. Author of such landmarks of modern American fiction as Reflections in a Golden Eye and The Ballad of the Sad Café, Carson McCullers was the enfant terrible of the literary world of the 1940s and 1950s. Gifted but tormented, vulnerable but exploitative, McCullers led a life that had all the elements--and more--of a tragic novel. From McCullers's birth in Columbus, Georgia, in 1917 to her death in upstate New York in 1967, The Lonely Hunter thoroughly covers every significant event in, and aspect of, the writer's life: her rise as a young literary sensation; her emotional, artistic, and sexual eccentricities and entanglements; her debilitating illnesses; her

travels in America and Europe; and the provenance of her works from their earliest drafts through their book, stage, and film versions. To research her subject, Virginia Spencer Carr visited all of the important places in McCullers's life, read virtually everything written by or about her, and interviewed hundreds of McCullers's relatives, friends, and enemies. The result is an enduring, distinguished portrait of a brilliant, but deeply troubled, writer.

FINALIST FOR THE NATIONAL BOOK AWARD Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction How do you tell the real story of someone misremembered—an icon and idol—alongside your own? Jenn Shapland 's celebrated debut is both question and answer: an immersive, surprising exploration of one of America 's most beloved writers, alongside a genre-defying examination of identity, queerness, memory, obsession, and love. Shapland is a graduate student when she first uncovers letters written to Carson McCullers by a woman named Annemarie. Though Shapland recognizes herself in the letters, which are intimate and unabashed in their feelings, she does not see McCullers as history has portrayed her. Her curiosity gives way to fixation, not just with this newly discovered side of McCullers 's life, but with how we tell queer love stories. Why, Shapland asks, are the stories of women paved over by others ' narratives? What happens when constant revision is required of queer women trying to navigate and self-actualize in straight spaces? And what might the tracing of McCullers 's life—her history, her secrets, her legacy—reveal to Shapland about herself? In smart, illuminating prose, Shapland interweaves her own story with McCullers 's to create a vital new portrait of one of our nation 's greatest literary treasures, and shows us how the writers we love and the stories we tell about ourselves make

us who we are.

A quiet, sensitive girl searches for beauty in a small, but damned Southern town.

The classic tale of marriage, infidelity, and homosexual yearning on a Southern army base by the acclaimed author of *The Ballad of the Sad Café*. Georgia, 1930s. Army bases are notoriously boring places during peacetime, but the quiet life of Captain Penderton is thrown into turmoil by the arrival of dashing ladies' man Major Langdon. Penderton's marriage has always been tempestuous, but when his wife Leonora begins an affair with Langdon, Penderton finds himself increasingly unable to mask his attraction to the handsome young private he has assigned to do his yard work. And tensions rise to explosive levels as that private develops a dangerous infatuation with Leonora. A scandal when it was first published in 1941, *Reflections in a Golden Eye* was later adapted into a film starring Marlon Brando, Elizabeth Taylor, and Robert Forester.

In one volume, the complete short fiction of the author of *The Heart Is a Lonely Hunter*, including her two most renowned novellas. Carson McCullers—novelist, dramatist, poet—was at the peak of her powers as a writer of short fiction. Here are nineteen stories that explore her signature themes including loneliness in marriage and the tragicomedy of life in the South. Included in this volume are “*The Member of the Wedding*” and “*The Ballad of the Sad Café*,” novellas that Tennessee Williams judged to be “assuredly among the masterpieces of our language.” “McCullers patented the Southern gothic genre that

embraces grotesque, morbid characters with such pervading themes as unrequited love and wounded adolescence. Largely set in the South and richly autobiographical, her writings have endured because of their great power and originality. ” —Library Journal

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.
