In The Mephisto Covenant, we met Jax and learned everything through his eyes. He's exceptionally dreamy and I was in love. In The Mephisto Kiss, it's Kryos' (Key) story, and though he has a lot of issues, and I do mean a lot, so does Jordan, his intended Anabo, and their banter and interactions throughout the novel make this fictional tale seem so real.

The eyes never lie. No one’s eyes are darker than Eryx’s. Not even the Devil’s. When Jax and Sasha first see Jordan Ellis, they know she is no ordinary teenager. She’s the daughter of the president, after all, but she’s also Anabo — a descendant of Eve. What they don’t know is that Eryx plans to kidnap Jordan and force President Ellis to pledge his soul. If Eryx’s plot succeeds, the consequences would be catastrophic. But the Mephisto brothers do know about Jordan’s secret identity. And for one of them, she could be the match that leads to his soul’s salvation. Now it’s a desperate race against time to save Jordan and prevent Eryx’s haunting eyes from discovering her true identity. A thrilling story of romance, danger, and intrigue, The Mephisto Kiss continues the marvelous mythology that began in The Mephisto Covenant.

Jax, a son of Hell, and Sasha, a descendent of Eve, unexpectedly find love, but Sasha must sacrifice the purity of her soul to save him while he struggles to keep her safe from his brother Eryx, whose mission is to take over Hell and abolish humanity's free will.

One of the glories of Elizabethan drama: Marlowe's powerful retelling of the story of the learned German doctor who sells his soul to the devil in exchange for knowledge and power. Footnotes.

"The Crown" meets "Game of Thrones" in this dazzling tale of glamour, enchantment, and betrayal, written by #1 New York Times bestselling author, Melissa de la Cruz. Once, they were inseparable, just two little girls playing games in a formidable castle. Now Princess Marie-Victoria, heir to the mightiest empire in the world, and Aelwyn Myrddyn, a bastard mage, face vastly different futures. As the annual London season begins—a whirlwind of wealth and magic marked by lavish parties and gorgeous girls vying for the attention of young royals—the talk of the town is Ronan Astor, a social-climbing American with only her beauty to recommend her. After falling for a handsome rogue on the voyage over, she must balance her desire for love with her duty to save her family’s position. Meanwhile, Isabelle of Orleans finds herself cast aside by Leopold, heir to the Prussian crown, in favor of a political marriage to Marie-Victoria. Isabelle is bent on reclaiming what is hers, but Marie doesn’t even want Leopold—she lost her heart long ago to a boy she will never be able to have. Desperate to escape a life without love, Marie turns to Aelwyn, and the girls form a perilous plan that endangers the fate of the monarchy. "Preening royalty, a touch of magic, and dramatic betrayal. What’s not to love?" — Teen Vogue "This character-driven novel has fabulous balls, glitzy gowns, and plenty of drama and plot twists, making it hard to put down." — School Library Journal

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake. Until one day, he does.... As the world turns upside down, Hazel has to become the knight she once pretended to be. The Darkest Part of the Forest is bestselling author Holly Black’s triumphant return to the opulent, enchanting faerie tales that launched her YA career.

Orphaned at six and sent to live with abusive relatives in Bucharest, Mariah learned early in life to box up violent, agonizing memories and put them in permanent mental storage. Now almost nineteen, she has a paying job, a tiny apartment, and a plan to attend university. She loves her independence and is steadily overcoming her past, but when an enigmatic stranger walks into the pub where she works and the trajectory of her life changes yet again, she begins to wonder if she'll run out of mental shelf space. The only females unafraid of the Mephisto brothers are the extremely rare Anabo, born without Original Sin. Over one hundred years ago, Phoenix was first to find one, but he made a fatal mistake and she was murdered by his oldest brother and enemy, Eryx. Phoenix soldiered through the next century wrapped up in grief and guilt, his only outlet planning takedowns of those who pledged their souls to Eryx. When one of his brothers brings Mariah to Mephisto Mountain, he’s torn between his instinctive, powerful need to pursue her, and his certainty that he can never have her. Drawn into the world of the Mephisto, Mariah sees the pain and misery Eryx unleashes on humanity, and the boxes in her mind begin to fly open, one by one. All that keeps her from slipping off the edge is her unlikely, sexually charged friendship with Phoenix. He’s incredibly screwed up; she’s completely broken. It would take a miracle for them to find happiness. Then Eryx brings the war for Hell to a whole new level, forcing Mariah and Phoenix to make a choice that will bind them together for all eternity, or rip them apart forever

The conclusion to Between the Devil and The Deep Blue Sea, this gothic thriller romance with shades of Stephen King and Daphne du Maurier is a must-read for fans of Beautiful Creatures and Anna Dressed in Blood. Freddie once told me that the Devil created all the fear in the world. But then, the Devil once told me that it’s easier to forgive someone for scaring you than for making you cry. The problem with River West Redding was that he’d done both to me. The crooked-smiling liar River West Redding, who dove into Violet’s life one summer day and shook her world to pieces, is gone. Violet and Neely, River’s other brother, are left to worry—until they catch a two a.m. radio program about strange events in a distant mountain town. They take off in search of River but are always a step behind, finding instead frenzied towns, witch hunts, and a wind-whipped island with the thrum of something strange and dangerous just under the surface. It isn’t long before Violet begins to wonder if Neely, the one Redding brother she thought trustworthy, has been hiding a secret of his own . . .

Months after Anna Korlov opened a door to Hell and sacrificed herself for seventeen-year-old ghost hunter Cas Lowood, persistent visions of Anna being tortured cause Cas to decide to save her as she once saved him.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future?
