A roommate is a person with whom one shares a living facility such as a room or dormitory except when being family or romantically involved. Similar terms include dormmate, suitemate, housemate, or flatmate ("flat": the usual term in British English for an apartment). Flatmate is the term most commonly used in New Zealand, when referring to the rental of an unshared room within any type of ...

~~Roommate Book~~

In The Roommate Book, which is filled with whimsical drawings, quizzes, and short anecdotes, author/illustrator and expert roommate Becky Simpson uses her optimism and sense of humor to highlight the advantages of having a roommate and how best to enjoy these shared years of modular furniture, crockpot meals, and binge-watching Netflix. The Roommate Book is all about celebrating this short season of life. It's the time between parental curfews and settling down with a significant other. It is for the single and proud, silly and crafty, witty and thrifty. It's a non-serious look at how to live with a friend (or total stranger). Nuggets of wisdom are included, but so are comical pie charts, hypotheticals, illustrations, and brief essays. This book invites passersby to thumb through and stay a while. Meet your roommate: The Random, The BFF, The Bra-less & Lawless, The "I've never actually seen my roommate," The "We get along but we're not really friends," The Enemy, The Frenemy, The Platonic Opposite Sex, or The Faux Partner. Use the "Should I Live with This Person" flow chart to help you choose. This fun and functional book also includes: The "Should I eat this without asking?" flow chart, the top 10 reasons it's awesome to have a roommate, the pet peeve awareness illustrated guide, the Eisenhower matrix for chores (important, urgent, not important, not urgent), the guide to creating nicknames, party and prank ideas, and so much more!

Clara Wheaton is suffering the plight of the average millennial woman. She's overeducated, underemployed, and single. When her childhood crush invites her to move into his spare bedroom, the offer sounds irresistible but unfortunately, it's too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with charming, handsome stranger Josh. He seems to perfect for her liking, until she googles him, and the internet reveals his profession. Will living with him turn into a scandal? Or will pooling their resources help them - and others - get lucky for a change.

Full of helpful advice from individuals entrenched in campus life, from Registered Nurses and dorm mothers to students just like you, this pocket-sized handbook is a must-have for those entering their first year of college. Getting ready to go off to college? Not sure what it will be like to live with a complete stranger? How to Be a Good College Roommate is here to help. Full of sage advice from individuals entrenched in campus life, from Registered Nurses and dorm mothers to students just like you, this pocket-sized handbook is a must-have for anyone entering their first year of college. Thanks to nuggets of wisdom dealing with everything from cleaning habits to fridge etiquette, How to Be a Good College Roommate will allow you and your roommate to live in perfect harmony.

"5'1 is the new 6'2, and Becky's book proves it."—Kristen Bell Leggy supermodels and pro basketball players be warned: being tall doesn't mean you're always a step up in life. Graphic designer Becky Murphy is five-foot-nothing and proud to be petite. Sure, sometimes being diminutive gets you the short end of the stick, but there are also plenty of unique advantages to being under 5'4"—and Murphy has compiled the 100 best reasons in the delightfully whimsical I'd Rather Be Short. Illustrated in a charming, quirky style, I'd Rather Be Short highlights the benefits of being petite, from the sensible to the absurd, including: · You get the best of both worlds: kids' meals and cocktail parties · You're never expected to help your friends move · Concertgoers usually won't hassle you when you shimmy up to the front · You're less likely to get struck by lightning · Skirts can be dresses; dresses can be skirts · You're just the way you should be Witty and heartwarming, I'd Rather Be Short is a celebration of self-acceptance—and an instant ego boost to pint-sized ladies everywhere.

"Danan is becoming a go-to author."—New York Times Book Review Naomi and Ethan will test the boundaries of love in this provocative romance from the author of the ground-breaking debut, The Roommate. Naomi Grant has built her life around going against the grain. After the sex-positive start-up she cofounded becomes an international sensation, she wants to extend her educational platform to live lecturing. Unfortunately, despite her long list of qualifications, higher ed won't hire her. Ethan Cohen has recently received two honors: LA Mag nominated him as one of the city's hottest bachelors and he became rabbi of his own synagogue. Low on both funds and congregants, the executive board of Ethan's new shul hired him with the hopes that his nontraditional background will attract more millennials to the faith. They've given him three months to turn things around or else they'll close the doors of his synagogue for good. Naomi and Ethan join forces to host a buzzy seminar series on Modern Intimacy, the perfect solution to their problems--until they discover a new one--their growing attraction to each other. They've built the syllabus for love's latest experiment, but neither of them expected they'd be the ones putting it to the test.

What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's The Flatshare is a feel-good novel about finding love in the most unexpected of ways. Tiffy and Leon share an apartment. Tiffy and Leon have never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.

New York Times bestselling advice on everything you ever needed to know about college College can be the best time of your life and the worst time of your life, all in the same day - and everyone needs a little help along the way. Covering everything from sharing a bathroom with forty people to sharing lecture notes, this fully updated edition is packed with expert advice, plus candid, eye-opening tips and stories that could only come from students who've been there.Practical, funny, and always authentic, this must-have guide from the most-trusted expert on college life is just the help students need to have their very best college experience.

When licensed cosmetologist turned publisher's rep Kathy Patrick lost her job due to industry cutbacks, she wasn't deterred. One year later, she opened Beauty and the Book, the world's only combination beauty salon/bookstore. Soon after, she founded The Pulpwood Queens of East Texas -- a reading group that dared to ask the question, "Does a book club have to be snobby to be serious?" The idea spread like wildfire. Now there are about 70 chapters nationwide. The overriding rule -- aside from wearing the club's official tiara, hot pink, and leopard print outfits -- is that the groups must have fun. The club's mission: To get America reading. **THE PULPWOOD QUEENS' TIARA-WEARING, BOOK- SHARING GUIDE TO LIFE** celebrates female friendship, sisterhood, and the transformative power of reading. It includes life principles and motivational anecdotes, hilarious and heart-warming stories of friendships among the Queens, and stories from Kathy about the books that have inspired her throughout her life, complete with personalized suggested book lists.
