The CSX 8888 incident, also known as the Crazy Eights incident, was a runaway train event involving a CSX Transportation freight train in the U.S. state of Ohio on May 15, 2001. Locomotive #8888, an EMD SD40-2, was pulling a train of 47 cars including some loaded with hazardous chemicals and ran uncontrolled for two hours at up to 51 miles per hour (82 km/h).

It started out as a simple quest; all she wanted was to find her mother. But as seventeen year old Reilly Hayes gets closer to her destination, this quest becomes a mission. Soon, the mission becomes more than a search for her mother. Now, as Reilly advances on her goal, her mission is not just to find her mother, but to survive. A riveting and suspenseful novel, Reilly and her friends fight to survive. Along the way, the past begins to unfold, which leads ultimately to the truth. A heart-pounding and page-turning novel, the author keeps you guessing. A quest to find her mother leads us through a journey to the past, the truth, and the heart. One missionone destination. Could their destination be final?

Now a TV series...Jess the Border Collie puppy owes his life to his owner Jenny Miles, and he'd do anything for her. They're the best of friends, and together, they're ready for all sorts of adventures! Jenny Miles lives with her family on a farm in the Scottish Border. Money is always tight, running a sheep farm. Even a new puppy has to earn its keep. But when Nell the sheepdog gives birth to a tiny puppy with a twisted leg, Jenny begs to keep him. Because there's something special about Jess...

After the 9/11 terrorist attacks, Congress & the Dept. of State initiated changes to the visa process to increase security, but these changes also increased the amount of time needed to adjudicate a visa. Although maintaining security is of paramount importance, State has acknowledged that long waits for visas may discourage legitimate travel to the U.S., potentially costing the country billions of dollars over time, & adversely influencing foreign citizens' opinions of our nation. A number of consular posts had long visa interview wait times. This report examines: (1) State's data on visa interview wait times; (2) actions State has taken to address wait times; & (3) State's strategy for dealing with projected growth in visa demand. Charts & tables.

"Hold on tight. This is a terrifying and terrific book." –Fort Worth Star-Telegram Life has never been easy for the three Campbell sisters. Jess, Courtney, and Dani live on a remote ranch in Western Canada where they work hard and try to stay out of the way of their father's temper. One night, a fight gets out of hand and the sisters are forced to go on the run, only to get caught in an even worse nightmare when their truck breaks down in a small town. As events spiral out of control they find themselves in a horrifying situation and are left with no choice but to change their names and create new lives. Eighteen years later, they are still trying to forget what happened that summer. But when one of the sisters goes missing, followed closely by her niece, they are pulled back into the past. And this time there's nowhere left to run. With *Those Girls* Chevy Stevens presents her most visceral thriller yet: an unforgettable portrait of desperation, loyalty, and evil. A story of survival...and revenge.

After receiving a kidney transplant, twenty-eight-year-old Leigh Fielding, feeling like a new person and discovering surprising new interests in life, embarks on a cross-country road trip to find the family of her organ donor, along the way picking up Denise, a teenage hitchhiker with a few secrets of her own. A first novel. Original. 30,000 first printing.

Jody McGrath and her family are sailing around the world researching dolphins, and Jody records all their exciting adventures in her Dolphin Diaries. In the series' second book, The Dolphin Dreamer is at bay in Key West, Florida, visiting a very special dolphin center -- with "dolphin teachers." Jody loves watching the dolphins at work, but then one of them gets caught in netting. Jody frees the dolphin, and it swims away. When Jody and the crew begin to give up hope of ever seeing the dolphin again, it joyfully returns to the the dolphin center.

After her stepsister is accused of murder, Laurie Halliot pledges herself as a hostage until the truth can be uncovered. To protect her honor, her Scottish father insists she marry her jailer, Sir Hugh Graham, English brother to Scottish heroine Janet the Bold. Hugh tempts Laurie as no other man has. If she is to regain her freedom, she must stay out of his bed, but how can she deny her own dangerous passions?

Attorney David Adams is the last hope for an adolescent runaway being targeted by an assassin and sought by the FBI in a breath-catching novel by the Amazon Charts bestselling author of An Unequal Defense. Having abandoned corporate law, David Adams is now the voice of justice for the city of Austin's vulnerable outcasts. His new client is Parker Barnes, a trembling twelve-year-old runaway and foster-care poster boy arrested for petty theft. Dealt a rough hand in life, he reminds David of his own childhood. This should be a simple, if heartbreakingly familiar, case. Until the FBI muscles in. Parker is also a suspect in the murder of a federal witness. No matter how desperate Parker's denial, David fears there's so much more to the kid's hard-luck story than he's letting on. Especially when a hit man sends the boy running to the only safe place he knows: the streets. With both the feds and a killer on Parker's trail, the hunt is on. Teaming up with a pro bono investigator and utilizing his reliable band of street-savvy friends, David must find Parker first if he's to save the boy from an undeserved fate. And maybe even save himself.

Jessie lives with her family in the frontier village of Clifton, Indiana, in 1840...or so she believes. When diphtheria strikes the village and the children of Clifton start dying, Jessie's mother reveals a shocking secret -- it's actually 1996, and they are living in a reconstructed village that serves as a tourist site. In the world outside, medicine exists that can cure the dread disease, and Jessie's mother is sending her on a dangerous mission to bring back help. But beyond the walls of Clifton, Jessie discovers a world even more alien and threatening than she could have imagined, and soon she finds her own life in jeopardy. Can she get help before the children of Clifton, and Jessie herself, run out of time?
