A visionary work that combines speculative fiction with deep philosophical inquiry, *The Sparrow* tells the story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a scientific mission entrusted with a profound task: to make first contact with intelligent extraterrestrial life. The mission begins in faith, hope, and beauty, but a series of small misunderstandings brings it to a catastrophic end. Praise for *The Sparrow* “A startling, engrossing, and moral work of fiction.”—*The New York Times* Book Review “Important novels leave deep cracks in our beliefs, our prejudices, and our blinders. *The Sparrow* is one of them.”—*Entertainment Weekly* “Powerful . . . *The Sparrow* tackles a difficult subject with grace and intelligence.”—*San Francisco Chronicle* “Provocative, challenging . . . recalls both Arthur C. Clarke and H. G. Wells, with a dash of Ray Bradbury for good measure.”—*The Dallas Morning News* “[Mary Doria] Russell shows herself to be a skillful storyteller who subtly and expertly builds suspense.”—*USA Today*

'*The Sparrow* is one of my favourite science fiction novels and it destroyed me in the best way when I read it. It is so beautifully written and the construction of the narrative is masterful.' Emma Newman,

acclaimed author of Planetfall Set in the 21st century - a number of decades from now - The Sparrow is the story of a charismatic Jesuit priest and talented linguist, Emilio Sandoz, who - in response to a remarkable radio signal from the depths of space - leads a scientific mission to make first contact with an extraterrestrial culture. In the true tradition of Jesuit adventurers before him, Sandoz and his companions are prepared to endure isolation, suffering - even death - but nothing can prepare them for the civilisation they encounter. Or for the tragic misunderstanding that brings the mission to a devastating end. Once considered a living saint, Sandoz returns alone to Earth horrifically maimed, both physically and spiritually, the mission's sole survivor - only to be blamed for the mission's failure and accused of heinous crimes. Written in clean, effortless prose and peopled with memorable characters who never lose their humanity or humour, The Sparrow is a powerful, haunting fiction - a tragic but ultimately triumphant novel about the nature of faith, of love and what it means to be 'human' and widely considered to be a classic of the genre.

The Jesuit scientists went to Rakht to learn, not to proselytize. They went so that they might come to know and love God's other children. They went for the greater glory of God. They meant no harm. This book takes you on a extraordinary journey to a distant planet. (From backcover).

In Children of God, Mary Doria Russell further establishes herself as one of the most innovative, entertaining and philosophically provocative novelists writing today. The only member of the original mission to the planet Rakhat to return to Earth, Father Emilio Sandoz has barely begun to recover from his ordeal when the So-ciety of Jesus calls upon him for help in preparing for another mission to Alpha Centauri. Despite his objections and fear, he cannot escape his past or the future. Old friends, new

discoveries and difficult questions await Emilio as he struggles for inner peace and understanding in a moral universe whose boundaries now extend beyond the solar system and whose future lies with children born in a faraway place. Strikingly original, richly plotted, replete with memorable characters and filled with humanity and humor, *Children of God* is an unforgettable and uplifting novel that is a potent successor to *The Sparrow* and a startlingly imaginative adventure for newcomers to Mary Doria Russell's special literary magic.

From the bestselling and award-winning author of *The Sparrow* comes “historical fiction that feels uncomfortably relevant today” (Kirkus Reviews) about “America’s Joan of Arc”—the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements has seen enough of the world to know that it’s unfair. She’s spent her whole life in the mining town of Calumet, Michigan, where men risk their lives for meager salaries—and have barely enough to put food on the table for their families. The women labor in the houses of the elite, and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren’t coming home. So, when Annie decides to stand up for the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. Yet as Annie struggles to improve the future of her town, her husband becomes increasingly frustrated with her growing independence. She faces the threat of prison while also discovering a forbidden love. On her fierce quest for justice, Annie will see just how much she is willing to sacrifice for the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the crucial men and women of the early labor movement “with an important message that will resonate with

contemporary readers” (Booklist).

A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel “Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today’s headlines.

NEW YORK TIMES BESTSELLER • “A powerfully imagined novel . . . [a] profoundly moving book that engages the heights and depths of human experience.”—Los Angeles Times It is September 8, 1943, and fourteen-year-old Claudette Blum and her father are among the thousands of Jewish refugees scrambling over the Alps toward Italy, where they hope to find safety now that the Italians have broken from Germany and made a separate peace with the Allies. The Blums will soon discover that Italy is anything but peaceful, as it quickly becomes an open battleground for the Nazis, the Allies, Resistance fighters, Jews in hiding, and ordinary Italian civilians trying to survive. Tracing the lives of a handful of

fascinating characters—a charismatic Italian Resistance leader, a priest, an Italian rabbi's family, a disillusioned German doctor—Mary Doria Russell tells the little-known story of the vast underground effort by Italian citizens who saved the lives of 43,000 Jews during the final phase of World War II. *A Thread of Grace* puts a human face on history. Praise for *A Thread of Grace* “An addictive page-turner . . . [Mary Doria] Russell has an astonishing story to tell—full of action, paced like a rapid-fire thriller, in tense, vivid scenes that move with cinematic verve.”—The Washington Post Book World “Hauntingly beautiful, utterly unforgettable.”—San Francisco Chronicle “Rich . . . Based on the heroism of ordinary people, [A Thread of Grace] packs an emotional punch.”—People “[A] deeply felt and compellingly written book . . . The progress of each character's life is marked or measured by acts of grace. . . . Russell is a smart, passionate and imaginative writer.”—Cleveland Plain Dealer “A feat of storytelling . . . an important book [that] needs to be widely read.”—Portland Oregonian “Mary Doria Russell's fans (and aren't we all?) will rejoice to see her new novel on the shelves. *A Thread of Grace* is as ambitious, beautiful, tense, and transforming as any of us could have hoped.”—Karen Joy Fowler, author of *The Jane Austen Book Club* “A story of love and war, *A Thread of Grace* speaks to the resilience and beauty of the human spirit in the midst of unimaginable horror. It is, unquestionably, a literary triumph.”—David Morrell, author of *The Brotherhood of the Rose* and *First Blood*

After the burned body of mixed-blood boy Johnnie Sanders is discovered in 1878 Dodge City, Kansas, part-time policeman Wyatt Earp enlists the help of his professional-gambler friend Doc Holliday, in a novel that also features Doc's girlfriend, the Hungarian prostitute Kate Katarina Harony. Reprint. A best-selling novel.

Mary Doria Russell, the bestselling, award-winning author of *The Sparrow*, returns with *Epitaph*. An American Iliad, this richly detailed and meticulously researched historical novel continues the story she began in *Doc*, following Wyatt Earp and Doc Holliday to Tombstone, Arizona, and to the gunfight at the O.K. Corral. A deeply divided nation. Vicious politics. A shamelessly partisan media. A president loathed by half the populace. Smuggling and gang warfare along the Mexican border. Armed citizens willing to stand their ground and take law into their own hands. . . . That was America in 1881. All those forces came to bear on the afternoon of October 26 when Doc Holliday and the Earp brothers faced off against the Clantons and the McLaurys in Tombstone, Arizona. It should have been a simple misdemeanor arrest. Thirty seconds and thirty bullets later, three officers were wounded and three citizens lay dead in the dirt. Wyatt Earp was the last man standing, the only one unscathed. The lies began before the smoke cleared, but the gunfight at the O.K. Corral would soon become central to American beliefs about the Old West. *Epitaph* tells Wyatt's real story, unearthing the Homeric tragedy buried under 130 years of mythology, misrepresentation, and sheer indifference to fact. Epic and intimate, this novel gives voice to the real men and women whose lives were changed forever by those fatal thirty seconds in Tombstone. At its heart is the woman behind the myth: Josephine Sarah Marcus, who loved Wyatt Earp for forty-nine years and who carefully chipped away at the truth until she had crafted the heroic legend that would become the epitaph her husband deserved.

From the Hugo Award-winning author of *Between Two Thorns* comes the first novel in a captivating science fiction series where a secret withheld to protect humanity's future may lead to its undoing... "Cathartic and transcendent."—*The New York Times* "An exceptionally engaging novel that explores the complex relationship between mythology and science."—*The Washington Post* Renata Ghali believed in

Lee Suh-Mi's vision of a world far beyond Earth, calling to humanity. A planet promising to reveal the truth about our place in the cosmos, untainted by overpopulation, pollution, and war. Ren believed in that vision enough to give up everything to follow Suh-Mi into the unknown. More than twenty-two years have passed since Ren and the rest of the faithful braved the starry abyss and established a colony at the base of an enigmatic alien structure where Suh-Mi has since resided, alone. All that time, Ren has worked hard as the colony's 3-D printer engineer, creating the tools necessary for human survival in an alien environment, and harboring a devastating secret. Ren continues to perpetuate the lie forming the foundation of the colony for the good of her fellow colonists, despite the personal cost. Then a stranger appears, far too young to have been part of the first planetfall, a man who bears a remarkable resemblance to Suh-Mi. The truth Ren has concealed since planetfall can no longer be hidden. And its revelation might tear the colony apart...
