The Street: the 1940s African American thriller that ...

The Street is a novel published in 1946 by African-American writer Ann Petry. Set in World War II era Harlem , it centers on the life of Lutie Johnson. Petry's novel is a commentary on the social injustices that confronted her character, Lutie Johnson, as a single black mother in this time period.

The Street (novel) - Wikipedia

The Street, set in the 1940s, is about a beautiful African American female, separated from her husband, who attempts to advance, as a single parent with a small son, against the forces of racism, discrimination, sexism, poverty and a gritty, crowded, segregated Harlem ghetto environment that is filled with challenges to living a decent quality of life, but is, nevertheless, reassuring, in some aspects, to its African American inhabitants.

Street: Amazon.co.uk: Petry, Ann: 9780395901496: Books

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES " How can a novel ' s social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that The Street amazes, but this description cheapens her talent . . . Petry is a gifted artist. " — Tayari Jones, from the Introduction The Street follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, The Street became the first novel by an African American woman to sell more than a million copies.

With a new introduction by TAYARI JONES, author of An American Marriage "This is a wonderful novel - the prose is clear, the plot is page-turning, the characters are utterly believable' CHIMAMANDA NGOZI ADICHIE 'Ann Petry's first novel, The Street, was a literary event in 1946, praised and translated around the world - the first book by a black woman to sell more than a million copies . . . Her work endures not merely because of the strength of its message but its artistry' NEW YORK TIMES 'My favorite type of novel, literary with an astonishing plot. . . insightful, prescient and unputdownable' TAYARI JONES New York City, 1940s. In a crumbling tenement in Harlem, Lutie Johnson is determined to build a new life for herself and her eight-year-old boy, Bub - a life that she can be proud of. Having left her unreliable husband, Lutie believes that with hard work and resolve, she can begin again; she has faith in the American dream. But in her struggle to earn money and raise her son amid the violence, poverty and racial dissonance of her surroundings, Lutie is soon trapped: she is a woman alone, 'too good-looking to be decent', with predators at every turn.

Explores the life and dreams of a young woman who struggles to raise her son in a suffocating ghetto world of racism, human degradation, and uncontrolled violence

Link Williams is a handsome and brilliant Dartmouth graduate who tends bar due to the lack of better opportunities for an African American man in a staid mid-century Connecticut town. The routine of Link ' s life is interrupted when he intervenes to save a woman from a late-night attack. Drinking in a bar together after the incident, " Camilo " discovers that her rescuer is African American and he learns that she is white. Unbeknownst to him, " Camilo " (actually Camilla Treadway Sheffield) is a wealthy married woman who has crossed the town ' s racial divide to relieve the tedium of her life. Thus brought together by chance, Link and Camilla draw each other into furtive encounters that violate the rigid and uncompromising social codes of their own town and times. As The Narrows sweeps ahead to its shattering denouement, Petry shines a harsh yet richly truthful light on the deforming harm that race and class wreak on human lives. In a fascinating introduction to this new edition, Keith Clark discusses the prescience with which Petry chronicled the ways tabloid journalism, smug elitism, and mob mentality distort and demonize African American men.

In one volume, two landmark novels about the terrible power of race in America from one of the foremost African American writers of the past century. Ann Petry is increasingly recognized as one of the essential American novelists of the twentieth century. Now, she joins the Library of America series with this deluxe hardcover volume gathering her two greatest works. Published in 1946 to widespread critical and popular acclaim—it was the first novel by an African-American woman to sell over a million copies—The Street follows Lutie Johnson, a young, newly single mother, as she struggles to make a better life for her son, Bub. An intimate account of the aspirations and challenges of black, female, working-class life, much of it set on a single block in Harlem, the novel exposes structural inequalities in American society while telling a complex human story, as overpriced housing, lack of opportunity, sexual harassment, and racism conspire to limit Lutie's potential and to break her buoyant spirit. Less widely read than her blockbuster debut and still underappreciated, The Narrows (1953) is Petry's most ambitious and accomplished novel—a multi-layered, stylistically innovative exploration of themes of race, class, sexuality, gender, and power in postwar America. Centered around an adulterous interracial affair in a small Connecticut town between the young black scholar-athlete Link Williams and white, privileged munitions heiress Camilo Sheffield, it is also a fond, incisive community portrait, full of unforgettable minor characters, unexpected humor, and a rich sense of history. Also included in the volume are three of Petry's previously uncollected essays related to the novels and a newly researched chronology of the author's life, prepared with the assistance of her daughter Elisabeth Petry. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation ' s literary heritage by publishing, and keeping permanently in print, America ' s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Young readers " will be carried along by the sheer excitement of the story " of 17th-century slavery and witchcraft by the million-copy selling author (The New York Times). In 1688, Tituba and her husband, John, are sold to a Boston minister and sent to the strange world of Salem, Massachusetts. Rumors about witches are spreading like wildfire throughout the state, filling the heads of Salem ' s superstitious, God-fearing residents. When the reverend ' s suggestible young daughter, Betsy, starts having fits, the townfolk declare it to be the devil ' s work. Suspicion falls on Tituba, who can read fortunes and spin flax into thread so fine it seems like magic. When suspicion turns to hatred, Tituba finds herself in grave danger. Will she be judged guilty of witchcraft and hanged? Loosely based on accounts of the period and trial transcripts, Ann Petry ' s compelling historical novel draws readers into the hysteria of America ' s deadly witch hunts.

A young black girl watches as her aunt ' s multiple suitors disrupt her family ' s privacy. The same girl, now on the cusp of adulthood, shares her family ' s growing fears that her father has disappeared. Acclaimed author Ann Petry penned these and the other unforgettable narratives in Miss Muriel and Other Stories more than seventy years ago, yet in them contemporary readers recognize characters who exist today and dilemmas that recur again and again: the reluctance of African Americans to seek help from the police, the rage that erupts in a black man worn down by brutality, the tyranny that the young can visit on their elders regardless of race. Originally published between 1945 and 1971, Petry ' s stories capture the essence of African American experience since the 1940s.

Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,5 , language: English, abstract: Ann Petry, a female Afro-American novelist, published her novel The Street in 1946. The setting of this novel is Harlem in the 1940s. The story deals with the life and trials of the Mulatto woman Lutie Johnson and her struggle to find a place in this environment for herself and her son. Hence, The Street is also concerned with different aspects of urban life. Thus, one might also claim that Petry ' s novel is about portraying the difficulties a single coloured woman and mother had in Harlem, living on 116th Street in New York City. Apart from being an urban novel, Petry also captured the symbolic character of Harlem in The Street, namely that it is a " (...) symbol of the Negro " s perpetual alienation in the land of his birth " . Hence, this novel also touches upon the topic of disillusionment in city life. In the following analysis, we will primarily deal with the last chapters of the novel and in particular with the end of the novel, which shows Lutie Johnson leaving Harlem and moving to Chicago. On the one hand, we will be concerned with the reasons and motifs why Lutie is disillusioned and finally leaves Harlem. On the other hand, we will deal with the implications and possibilities that Lutie ' s movement to Chicago brings with it.

In his in-depth analysis of the works of Ann Petry (1908–1997), Keith Clark moves beyond assessments of Petry as a major mid-twentieth-century African American author and the sole female member of the "Wright School of Social Protest." He focuses on her innovative approaches to gender performance, sexuality, and literary technique. Engaging a variety of disciplinary frameworks, including gothic criticism, masculinity and gender studies, queer theory, and psychoanalytic theory, Clark offers fresh readings of Petry's three novels and collection of short stories. He explores, for example, Petry's use of terror in The Street, where both blacks and whites appear physically and psychically monstrous. He identifies the use of dark comedy and the macabre in the stories "The Bones of Louella Brown" and "The Witness." Petry's overlooked second novel, Country Place -- set in a deceptively serene Connecticut hamlet -- camouflages a world as nightmarish as the Harlem of her previous work. While confirming the black feminist dimensions of Petry's writing, Clark also assesses the writer's representations of an array of black and white masculine behaviors -- some socially sanctioned, others taboo -- in her unheralded masterpiece The Narrows and her widely anthologized short story "Like a Winding Sheet." Expansive in scope, The Radical Fiction of Ann Petry analyzes Petry's unique concerns and agile techniques, situating her among more celebrated male contemporary writers.
