The Commandments in the New Testament Gospels is about how Christians are supposed to live under Jesus' commandments. For many years I have noticed many people who are confused about how Christians are supposed to live. But are the Ten Commandments in the New Testament? And should we follow them? We need to question which parts of the Bible are written to us, which parts are written for us, and which parts are for our moral guidance. Most of all, we need to go back to the first century and see how the followers of Jesus lived. We need to learn the customs at that time, the idioms of their speech. We need to be aware of what the first-century political climate was like in order to understand the New Testament. The Book of Hebrews talks a lot about the Order of Melchizedek. What is that order? This book will explore this, along with one core question: What is the secret that believers

have been missing all these years about what God expects from us? Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are.

Why does the New Testament contain four Gospels—four different accounts of the same Man? And don't the Gospels contradict one another? Masterful Bible teacher Arthur Pink explains how the four Gospels do not contradict but rather collaborate in order to provide us with a deeper, multifaceted description of the person of Jesus Christ. In Matthew, we see Jesus as Messiah and King of the Jews. In Mark, we are introduced to the Servant of Jehovah. In Luke, we see the human Jesus as the Son of Man, Adam's descendant. Finally, in John, we thrill to the supernatural Jesus who is undoubtedly the Son of God. No believer can truly know Jesus without having an understanding of the four distinct roles He fulfilled in His time on earth. Pink's in-depth look at the four Gospels will boost your faith and bring you ever closer to a Savior who is fully human, fully divine, and above everything, Lord of all.

Engaging, scholarly, and theologically honest, this introductory textbook will be welcomed by students and professors alike. What do we really know about Jesus and how do we know it? Jesus in the Gospels and Acts:

Arguably, no other figure in history has had more influence in shaping many of the religious and cultural norms in the world today. Whether you belong to a specific faith tradition or none at all, possessing a working knowledge of Jesus and the Gospels is important for religious, historical, and cultural literacy." --from the author's introduction
