The key to adventure lies within your imagination! Cousins Patrick and Beth go to the Holy Land in the tenth century BC. Their goal is to get back the ring Hugh stole and return him to 1450s England where he belongs. But troubles await them as soon as they step out of the Imagination Station. Christmas Eve, 1957: An RAF pilot needs a miracle to make it home as his fighter jet begins to fail, in a story by the #1 New York Times–bestselling author. It is Christmas Eve, 1957, and there are cozier places to be than the cockpit of a de Havilland Vampire fighter plane. But for the Royal Air Force pilot who has just taken off from West Germany, this single-seat jet is the only way to make it back to England for Christmas morning. His flight plan is simple; the fuel tank is full. In sixty-six minutes, he will be back in Blighty. But then the plane begins to fail. First the compass goes haywire, then the radio dies. Lost and alone above the English coast, the pilot is searching for a landing strip when the fog closes in, signaling certain death. He has given up hope when a second shadow appears—a Mosquito fighter-bomber of World War II vintage. The plane is a "shepherd," guiding the Vampire to a safe landing, and its appearance is a gift from fate, a miracle out of time—but for one lonely pilot, the mystery has just begun. A classic bestseller, beloved by aviation fans (including actor John Travolta, who calls it "one of my favorites because it personalizes the two planes") and general readers alike, The Shepherd is a gripping, heartwarming tale for a cold winter's night.

Pastor, author, and leadership consultant unpacks instruction for church leaders found in 1 Peter 5:1-4 where they are exhorted to shepherd the flock among them. Some instruction is timeless. Regardless of the age in which we live, certain instruction carries no expiration on its relevance. Pastor, author, and leadership consultant, Larry Osborne has discovered this to be the case with instruction on how to be a good leader. The best, most practical advice comes from the Bible, and in particular, 1 Peter 5:1-4. It's in this short passage where leaders are exhorted to shepherd the flock among them. Unfortunately, most modern leaders have precious little experience tending sheep, and many of the implications that were well understood when Peter penned these words are lost on today's reader. Osborne finds the parallels to be numerous, well-worth reviewing and understanding anew. A shepherd leads them to water even when they fear it. A shepherd never allows one sick lamb to destroy the flock. A shepherd lays down his life for his sheep . . . When leaders truly understand Peter's words of exhortation to lead like a shepherd, then they will begin to see the path that leads them to Leading Well.
