From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts—and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, A Man of the People is an essential part of Achebe ' s body of work.

Describes a traditional Buddhist approach to suffering and how embracing the painful situation and using communication, negative habits, and challenging experiences leads to emotional growth and happiness.

Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, No Longer at Ease concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God.

Novel chronicles the life of Okonkwo, the leader of an Igbo (Ibo) community, from the events leading up to his banishment from the community for accidentally killing a clansman, through the seven years of his exile, to his return.
