The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda

knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

PULITZER PRIZE WINNER • NEW YORK TIMES BESTSELLER • An unflinchingly look into the abyss of slavery, from the acclaimed Nobel Prize winner. This spellbinding novel transforms history into a story as powerful as *Exodus* and as intimate as a lullaby. With a new afterword. *Sethe*, its protagonist, was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has too many memories of Sweet Home, the beautiful farm where so many hideous things happened. And *Sethe's* new home is haunted by the ghost of her baby, who died nameless and whose tombstone is engraved with a single word: *Beloved*. Filled with bitter poetry and suspense as taut as a rope, *Beloved* is a towering achievement.

Finally, Bruce King, acclaimed literary critic, presents his autobiography and offers fascinating insights into his life as bon vivant and literary critic.

An Introduction to Literary Studies provides the beginner with an accessible and comprehensive survey of literature. Systematically taking in theory, genre and literary history, Klarer provides easy to understand descriptions of a variety of approaches to texts. This invaluable guide includes sections on: fiction poetry drama film covering: a range of theoretical approaches an extensive glossary of major literary and cinematic terms guidelines for writing research papers.
