This is the fifty-fourth volume of the United Nations Treaty Series Cumulative Index. This volume covers the treaties and international agreements contained in volumes 2801 to 2850 of the United Nations Treaty Series (UNTS). The volume consists of two main sections, each preceded by an explanatory note. In the first section, " Chronological Index ", treaties and international agreements are listed in the order of the dates on which they were first adopted, signed or opened for signature or accession, etc. Any subsequent agreements and/or actions relating to the original agreement are to be found under the date of the original instrument. The second section, " Alphabetical Index ", refers to treaties and international agreements by a party and by subject.

Offering a comprehensive commentary on the Brussels I bis Regulation, chapters outline the origins and evolution of each article before delving into their interpretation in view of the case law of the European Court of Justice. Its exhaustive evaluation of the corresponding case law demonstrates key precedents which can be applied to practical problems in the field related to jurisdiction, recognition and enforcement of decisions.
