**Trouble is My Business: Amazon.co.uk: Chandler, Raymond ...**

Trouble is my Business contains 4 Phillip Marlowe stories previously published in the pulp magazines of the day.overall these are a fine example of Chandler's hard boiled fiction in novella form. each story is remarkable on their own but my personal favorite is "Red Wind". this story is a nearly perfect representation of Marlowe's code of honor, has great characters.and a fantastic little twist at the end. a lot of quality buried in a unassuming little short story.

**Trouble Is My Business - Movie Reviews**

"Trouble is my business," I said. "Twenty-five a day and guarantee of two-fifty, if I pull the job." "I gotta make a little something for myself," Anna whined. "O.K. There's plenty of coolie labor around town. Nice to have seen you looking so well. So long, Anna." I stood up this time. My life wasn't worth much, but it was worth that much.

This collection by crime fiction master Raymond Chandler features four long stories in which private eye Philip Marlowe is hired to protect a rich old guy from a gold digger, runs afoul of crooked politicians, gets a line on some stolen jewels with a reward attached, and stumbles across a murder victim who may have been an extortionist.

"Trouble is My Business" by Raymond Chandler. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Philip Marlowe is hired to protect a rich old guy from a gold digger, runs afoul of crooked politicians, gets a line on some stolen jewels with a reward attached, and stumbles across a murder victim who may have been an extortionist. A classic mystery collection!

Crime fiction master Raymond Chandler's final novel featuring Philip Marlowe, the "quintessential urban private eye" (Los Angeles Times). In noir master Raymond Chandler's Playback, Philip Marlowe is hired by an influential lawyer he's never heard of to tail a gorgeous redhead, but then decides he'd rather help out the redhead. She's been acquitted of her alcoholic husband's murder, but her father-in-law prefers not to take the court's word for it. "Chandler wrote like a slumming angel and invested the sun-blinded streets of Los Angeles with a romantic presence!" -- Ross Macdonald

Olivia Grace, recently retired teen PI, has her priorities sorted. But after Olivia's friend Abbey goes missing in Byron Bay, a short drive from Olivia's Gold Coast home, she can't sit back and study Torts. It's time to go undercover as hippie-chick Nansae, in hippie-chic Byron Bay, hub of influencers and international tourism.

"Ben Perkins is back! It feels so good to say that. Twenty-three years ago, when Rob Kantner introduced his Detroit PI in the short story "C Is for Cookie," he probably had no idea he was heralding in a new era of mystery fiction. Before Rob, the private eye genre was glutted with down-in-their-luck losers who wore trench coats and talked like Bogart. Stereotypes ruled the paperback racks, and a revamp was sorely needed. Rob's genius was to give his hero something more than cliched one-liners and a drinking problem. Namely, a life." J. A. Konrath, from his introduction This collection includes 18 stories featuring Ben Perkins, from the earliest part of his career to the latest chapter. The final story, "Sex and Violins" has never before been published."

A collection of humorous short stories on government-speak, gender relations, the mass media, love lives, restaurants, airplanes, and baseball fans

Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby-annoying, brilliant and somehow...attractive? Digby-has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other-this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.
