Unconditional Parenting: Moving from Rewards and ...
The concept of unconditional parenting appeals to me, the idea that we love our kids unconditionally; whether they behave, throw a tantrum, do (or don ' t do) well in school.

Unconditional Parenting: Moving from Rewards and ...
Unconditional parenting starts with you making a conscious decision about the way you want to relate to your children. It starts with you deciding to show unconditional love and support for your kids no matter how they behave and regardless of what they say.

Unconditional Parenting: The Power of Loving Unconditionally
Reading Unconditional Parenting changed the way I approached parenting. It was literally a watershed moment. The principles that stand out to me the most, the ones that I find myself consciously thinking about are 4 and 7. I remind myself as I go about the day with two year old twin boys, how difficult must life be when you can ' t reach objects you want, can ' t open the fridge to get the ...

Unconditional Parenting: Amazon.co.uk: DVD & Blu-ray
The kind of parenting that Alfie Kohn advocates in his book, Unconditional Parenting, resonates with my understanding of God. The picture of God I see painted in Scripture, through Jesus Christ, is unconditionally loving and respectful to all persons, regardless of age. As a Jesus-following parent, I feel it's my responsibility to show my children the same picture of God by acting like Jesus ...

De 10+ beste afbeeldingen van Unconditional parenting ...
In unconditional parenting love and acceptance are regarded more highly than training and compliance. Rewards and punishment are replaced with unconditional support. As you can imagine, this created quite an uproar, especially among those who had spent years advocating a more authoritarian - or even authoritative - approach to parenting.

Has anyone read Alfie Kohn& #39;s "Unconditional parenting" and/or is experimenting with parenting like this or has been doing it for years?

Unconditional parenting | Mumsnet
I think unconditional parenting is the same as attachment parenting. However, it further highlights and really helped me understand what we might do as parents that can interfere with our attachment to our kids, and also have other negative effects. I thought the synthesis of evidence was very compelling.

Unconditional Parenting - Parenting Classes, Court Approved
Unconditional Parenting (Alfie Kohn) In this book Alfie Kohn talks us through the difference between conditional and unconditional ways of being towards our children. He argues that if we ' re truly unconditional our children will thrive. And then he tells us what the science says this looks like in practice. Like all of his books, this one has a strong academic/research focus. It ' s not a ...

The author of Punished by Rewards and The School Our Children Deserve builds on his parenting theories of working with children rather than trying to control them, argues against practices that teach children that they must earn a parent's approval, and presents techniques that promote desired child qualities through unconditional support. Reprint. 30,000 first printing.

Criticizes the system of motivating through reward, offering arguments for motivating people by working with them instead of doing things to them

The bestselling author of "Why Do They Act That Way?" writes the book his readers have been asking him for: how and when to say no to kids and make it stick.

Argues that competition is inherently destructive and that competitive behavior is culturally induced, counter-productive, and causes anxiety, selfishness, self-doubt, and poor communication. Reissue.

Unconditional is a parenting guide book that provides parents of an LGBTQ (lesbian, gay, bisexual, transgender, or questioning) child with a framework for helping their LGBT child navigate a world that isn't always welcoming.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

It ' s time to say NO to trying to fit square-peg kids into round holes, and YES to raising them from a place of acceptance and joy. Today millions of kids are stuck in a world that doesn ' t embrace who they really are. They are the one in five " differently wired " children with ADHD, dyslexia, giftedness, autism, anxiety, or other neurodifferences, and their challenges are many. And for the parents who love them, the challenges are just as numerous, as they struggle to find the right school, the right support, the right path. But now there ' s hope. Differently Wired is a revolutionary book—weaving together personal stories and a tool kit of expert advice from author Deborah Reber, it ' s a how-to, a manifesto, and a reassuring companion for parents who can so often feel that they have no place to turn. At the heart of Differently Wired are 18 paradigm-shifting ideas—what the author calls " tilts," which include how to accept and lean in to your role as a parent (#2: Get Out of Isolation and Connect). Deal with the challenges of parenting a differently wired child (#5: Parent from a Place of Possibility Instead of Fear). Support yourself (#11: Let Go of Your Impossible Expectations for Who You " Should " Be as a Parent). And seek community (#18: If It Doesn ' t Exist, Create It). Taken together, it ' s a lifesaving program to shift our thinking and actions in a way that not only improves the family dynamic, but also allows children to fully realize their best selves. " In this generous and urgent book, Deborah Reber lets the light in. She helps parents see that they ' re not alone, and even better, delivers a positive action plan that will change lives. " —Seth Godin, author of Linchpin " Differently Wired will help parents of children who think differently to accept their child for who they are and facilitate their successful development. " —Temple Grandin, author of Thinking in Pictures and The Autistic Brain

Arguing against the "tougher standards" rhetoric that marks the current education debate, the author of No Contest and Punished by Rewards writes that such tactics squeeze the pleasure out of learning. Reprint.

Parenting can be such an overwhelming job that it ' s easy to lose track of where you stand on some of the more controversial subjects at the playground (What if my kid likes to rough house—isn ' t this ok as long as no one gets hurt? And what if my kid just doesn ' t feel like sharing?). In this inspiring and enlightening book, Heather Shumaker describes her quest to nail down " the rules " to raising smart, sensitive, and self-sufficient kids. Drawing on her own experiences as the mother of two small children, as well as on the work of child psychologists, pediatricians, educators and so on, in this book Shumaker gets to the heart of the matter on a host of important questions. Hint: many of the rules aren ' t what you think they are! The " rules " in this book focus on the toddler and preschool years—an important time for laying the foundation for competent and compassionate older kids and then adults. Here are a few of the rules: • It ' s OK if it ' s not hurting people or property • Bombs, guns and bad guys allowed. • Boys can wear tutus. • Pictures don ' t have to be pretty. • Paint off the paper! • Sex ed starts in preschool • Kids don ' t have to say " Sorry. " • Love your kid ' s lies. IT ' S OK NOT TO SHARE is an essential resource for any parent hoping to avoid PLAYDATEGATE (i.e. your child ' s behavior in a social interaction with another child clearly doesn ' t meet with another parent ' s approval)!

Parents have heard that play is a child's work—but play is not for kids only. As psychologist Lawrence J. Cohen, Ph.D., demonstrates in this delightful new book, play can be the basis for an innovative and rewarding approach to parenting. From eliciting a giggle during baby's first game of peek-a-boo to cracking jokes with a teenager while hanging out at the mall, Playful Parenting is a complete guide to using play to raise strong, confident children. Have you ever stepped back to watch what really goes on when your children play? As Dr. Cohen points out, play is children's complex and fluid way of exploring the world, communicating hard-to-express feelings, getting close to those they care about, working through stressful situations, and simply blowing off steam. That's why "playful parenting" is so important and so successful in building strong, close bonds between parents and children. Through play we join our kids in their world. We help them express and understand deep emotions, foster connection, aid the process of emotional healing—and have a great time ourselves while we're at it. Anyone can be a playful parent--all it takes is a sense of adventure and a willingness to let down your guard and try something new. After identifying why it can be hard for adults to play, Dr. Cohen discusses how to get down on the floor and join children on their own terms. He covers games, activities, and playful interactions that parents can enjoy with children of all ages, whether it's gazing deep into a baby's eyes, playing chase with a toddler, fantasy play with a grade schooler, or reducing a totally cool teenager to helpless laughter. Playful Parenting also includes illuminating chapters on how to use play to build a child's confidence and self-esteem, how to play through sibling rivalry, and how play can become a part of loving discipline. Written with love and humor, brimming with good advice and revealing anecdotes, and grounded in the latest research, Playful Parenting will make you laugh even as it makes you wise in the ways of being a happy, effective, enthusiastic parent.
