Vera's and Vladimir's symbiotic relationship was the closest marriage many of their friends and acquaintances had ever seen. The particularly good parts of this biography for me were the lean years in which V taught in New England colleges. This life is gone over in detail for both Vera and Vladimir---a great couple of chapters.

New York Times bestselling author Carol Edgarian delivers

an all-encompassing and enthralling (Oprah Daily) novel featuring an unforgettable heroine coming of age in the aftermath of catastrophe, and her quest for love and reinvention. Meet Vera Johnson, fifteen-year-old illegitimate daughter of Rose, notorious proprietor of San Francisco's most legendary bordello. Vera has grown up straddling two worlds—the madam's alluring sphere, replete with tickets to the opera, surly henchmen, and scant morality, and the quiet domestic life of the family paid to raise her. On the morning of the great quake, Vera's worlds collide. As the city burns and looters vie with the injured, orphaned, and starving, Vera and her guileless sister, Pie, are cast adrift. Disregarding societal norms and prejudices, Vera begins to imagine a new kind of life. She collaborates with Tan, her former rival, and forges an unlikely family of survivors, navigating through the disaster together. A character-driven novel about family, power, and loyalty, (San Francisco Chronicle), Vera brings to life legendary characters—tenor Enrico Caruso, indicted mayor Eugene Schmitz and boss Abe Ruef, tabloid celebrity Alma Spreckels. This brilliantly conceived and beautifully realized (Booklist, starred review) tale of improbable outcomes and alliances takes hold from the first page, with remarkable scenes of devastation, renewal, and joy. Vera celebrates the audacious fortitude of its young heroine, who discovers an unexpected strength in unprecedented times.

New York Times bestselling author Carol Edgarian delivers

an astonishing feat of imagination, a grand adventure set in 1906 San Francisco—a city leveled by quake and fire—featuring an indomitable heroine coming of age in the aftermath of catastrophe and her quest for love and reinvention. Meet Vera Johnson, the uncommonly resourceful fifteen-year-old illegitimate daughter of Rose, notorious proprietor of San Francisco's most legendary bordello and ally to the city's corrupt politicians. Vera has grown up straddling two worlds—the madam's alluring sphere, replete with tickets to the opera, surly henchmen, and scant morality, and the violent, debt ridden domestic life of the family paid to raise her. On the morning of the great quake, Vera's worlds collide. As the shattered city burns and looters vie with the injured, orphaned, and starving, Vera and her guileless sister, Pie, are cast adrift. Vera disregards societal norms and prejudices and begins to imagine a new kind of life. She collaborates with Tan, her former rival, and forges an unlikely family of survivors. Together they navigate their way beyond disaster. In Vera, Carol Edgarian creates a cinematic, deeply entertaining world, in which honor and fates are tested; notions of sex, class, and justice are turned upside down; and love is hard-won. A ravishing, heartbreaking, and profound affirmation of youth and tenacity, Vera's story brings to life legendary characters—tenor Enrico Caruso, indicted mayor Eugene Schmitz and boss Abe Ruef, tabloid celebrity Alma Spreckels—as well as an unforgettable cast that includes Vera's young lover, Bobby, protector of the city's tribe of orphans, and three generations of a Chinese family competing and conspiring with Vera. This richly imagined, timely tale of improbable outcomes and alliances takes hold from the first page, gifting readers with remarkable scenes of devastation, renewal, and joy. Told with unflinching candor and wit, Vera celebrates the audacious fortitude of its young heroine and marks a stunning achievement by an inventive and generous writer.

AN INSTANT NEW YORK TIMES BESTSELLER! From Ann Cleeves—the

New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows—comes the stunning new Vera Stanhope novel, The Darkest Evening. "Ann Cleeves is one of my favorite mystery writers." "Louise Penny "As a huge fan of both the Shetland and Vera series of books, I had high expectations for Cleeves' latest. . . . A stunning debut for Cleeves' latest crimefighter."David Baldacci on The Long Call On the first snowy night of winter, Detective Inspector Vera Stanhope sets off for her home in the hills. Though the road is familiar, she misses a turning and soon becomes lost and disorientated. A car has skidded off the narrow road in front of her, its door left open, and she stops to help. There is no driver to be seen, so Vera assumes that the owner has gone to find help. But a cry calls her back: a toddler is strapped in the back seat. Vera takes the child and, driving on, she arrives at a place she knows well. Brockburn is a large, grand house in the wilds of Northumberland, now a little shabby and run down. It's also where her father, Hector, grew up. Inside, there's a party in full swing: music, Christmas lights and laughter. Outside, unbeknownst to the revelers, a woman lies dead in the snow. As the blizzard traps the group deep in the freezing Northumberland countryside, Brockburn

Where To Download Vera

begins to give up its secrets, and as Vera digs deeper into her investigation, she also begins to uncover her family's complicated past.

This book challenges the notion that great saints and prophets have disappeared from the earth. The spiritual awakening of a quirky sixty-plus beautician named Vera Wright, in a quiet New Jersey town, surprises not only Vera herself, but everyone she knows and meets, including the Pope. This is an inspiring and entertaining account of how one person's astonishing transformation can transform the world.

Ann Cleeves has thrilled readers everywhere with her critically acclaimed mystery series set in the Shetland Islands, which began with the award-winning Raven Black. Now, Cleeves is back with another compelling mystery series (set in Northumberland, England). This one features detective Vera Stanhope, the lead character played by Brenda Blethyn on the hit television series "Vera." Destined for the same kind of fame achieved by Colin Dexter's Inspector Morse, the show is a favorite of millions of viewers in the U.K. and is available here on Netflix, PBS, and Amazon. When Vera finds the body of a woman in the sauna of her local gym, she wonders briefly if, for once in her life, she's uncovered a simple death of natural causes. But when a closer inspection reveals bruises around the victim's throat, Vera's team start their investigation. Vera and her colleagues soon uncover details in the victim's past that may explain her untimely death. But Vera knows from experience that there's no such thing as a simple case, and this one gets more baffling by the minute. With pitch-perfect writing, a finely tuned mystery, and a protagonist with a complex past of her own, Silent Voices is a stand out penned by one of Britain's most successful mystery writers.

From Ann Cleeves's New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows comes Silent Voices. "Ann Cleeves is one of my favorite mystery writers." Louise Penny When Detective Inspector Vera Stanhope finds the body of a woman in the steam room of her local gym, she wonders briefly if, for once, it's a death from natural causes. But closer inspection reveals bruises around the victim's throat...As she leads her team, Vera relishes the thrill she gets from running an investigation. Death has never made her feel so alive. But soon, the victim's past reveals a shocking secret at the heart of Vera's community, as she tries to stop a killer who wants deadly secrets kept silent. Singular, complex, and fiercely loyal, Vera has quickly become an iconic British detective loved by millions both on the page and on-screen, and Silent Voices showcases Ann Cleeves as a writer at the peak of her powers. *BONUS CONTENT: This edition of Silent Voices includes a new introduction from the author and a discussion guide

NEW YORK TIMES BESTSELLER Winner of the 2000 Pulitzer Prize for biography and hailed by critics as both "monumental" (The Boston Globe) and "lutterly romantic" (New York magazine), Stacy Schiff's Véra (Mrs. Vladimir Nabokov) brings to shimmering life one of the greatest literary love stories of our time. Vladimir Nabokov—the émigré author of Lolita; Pale Fire; and Speak, Memory—wrote his books first for himself, second for his wife, Véra, and third for no one at all. "Without my wife," he once noted, "I wouldn't have written a single novel." Set in prewar Europe and postwar America, spanning much of the century, the story of the Nabokovs' fifty-two-year marriage reads as vividly as a novel. Véra, both beautiful and brilliant, is its outsized heroine—a woman who loves as deeply and intelligently as did the great romantic heroines of Austen and Tolstoy. Stacy Schiff's Véra is a triumph of the biographical form.

This is Alasdair Barcroft's third book on the subject of aloe vera and he believes the aloe vera topic will run and run as more and more people, both lay people and professional healthcare specialists and therapists alike, begin fully to understand the powerful healing and health-giving properties of this amazing plant. He believes that 'we are still scratching the surface' in terms of aloe vera's vast potential. Aloe vera has been around for over 4,000 years - it has stood the test of time - and it still continues to confound and very often baffle the medical profession and scientific researchers with its complex, silent actions, potent properties and powerful healing benefits. Aloe vera truly is nature's silent healer. Aloe vera has been known for its wide-ranging healing properties for over 4,000 years, but it is only in the last few decades that scientists have really begun both to realise and understand the enormous scope of this amazing plant's actions and benefits. Medical practitioners, vets, dentists, therapists, nutritionists and many others involved in healthcare throughout the world are finally realising that the anecdotal evidence of the powers of this ancient plant th

From CWA Diamond Dagger Award winner Ann Cleeves comes The Glass Room, the fifth book in the Vera Stanhope series. Published for the first time in the US. "I do love Vera!" Val McDermid "Ann Cleeves is one of my favorite mystery writers! I relish learning more about Vera with each book." Louise Penny, New York Times Bestselling author of the Inspector Gamache series DI Vera Stanhope is not one to make friends easily, but her hippy neighbors keep her well-supplied in homebrew and conversation, and somehow bonds have formed. When one of them goes missing, Vera tracks the young woman down to the Writer's House, a country retreat where aspiring authors work on their stories. Things get complicated when a body is discovered, and Vera's neighbor is found with a knife in her hand. Calling in the team, Vera knows that she should hand the case over. She's too close to the main suspect. But the investigation is too tempting, and she's never been one to follow the rules. Somewhere there is a killer who has taken murder off the page and is making it real . . .
