A dedicated publication that explains the history of the world's most versatile station wagon, a global workhorse and comfortable family vehicle. Sweden's answer to Germany's people's car arrived some 20 years earlier, and quickly paved the way for safe and dependable vehicles. This book chronicles the evolution of the Volvo estate car, with every model featured. Whether you are a Volvo lover or just have a general interest in cars,

worst possible decisions about men and the fact she hoards food and hears the voices of dead relatives who hint at a dark family secret, her life is anything but normal. When her brother is shot minutes after leaving a package in her freezer, the police suspect her of murder and order her not to leave town. But sticking around brings on a new set of problems--trying not to fall in love with the deputy who suspects her of being a cannibalistic serial killer and proving her innocence by finding the real killers before they kill her. And, if finding a death threat written in
