This is a new release of the original 1937 edition.

Featuring today's newest products and equipment, this photo-packed guide features contemporary images of diesel locomotives and urban settings, plus updates to Dave's trademark scenery "recipes." Includes new chapters on Western scenery and desert modeling, and city scenery and urban settings.

Designed to serve the information needs of all levels of both operators and collectors, this essential 'who-to-contact' reference lists more than 2000 sources. Covers all popular model railroading scales from the tiny 1/220 to the rugged 1/20.3. Includes manufacturers; distributors; suppliers; clubs; organisations; publishers/periodicals; key web sites; retailers and dealers; sources for parts and repairs; appraisers; museums and public displays; and a bibliography of select topic-related books and videos.

Learn how to construct the most common forms of scenery: mountains, deserts, rural areas, and city scenes. This book provides essential scenery tips and techniques through highly detailed photos and step-by-step instructions.

Read Free Walthers Ho Railroad Catalog

This practical, photo-driven guide covers the principles and techniques of designing and constructing detailed, realistic model railroad scenes. The various projects include structure, scenery, and detailing techniques for both urban and rural settings. It's the essential information modelers need to make a good layout look great!

"In this book, you'll learn how to choose a scale, work with available space, add sound and action with DCC decoders, plan for realistic operation, create detailed scenery, and make your railroad run right"--Cover, p. 4.
