Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.

Birthdays hold the keys to the best sex you'll ever have—if only you knew how to read the signs. In this book, noted astrologer and author Phyllis Vega draws on the predictive powers of astrology and the ancient art of numerology to create revealing erotic profiles for you to use in between the sheets. August 8–Leo What Makes You Tick You're so self-assured that your majestic presence and logical mind make people think you know what you're talking about, even when you don't. You have very definite ideas about who should be in charge in any given situation, and anyone who wants to score points with you will make it seem as if you are running the show, even when you're not. Although demanding in relationships, you're also generous, protective, caring, and loyal. Between the Sheets Casual bedroom dalliances don't really appeal to you; you prefer saving your passion for a grand affair of the heart. Fearful of rejection, you restrain yourself until you're sure that you and the object of your affection are on the same page. However, behind closed doors, you're a fiery, dramatic bedmate. A powerhouse of sexual energy, you like being the one in control of your bedroom encounters. Tips for Your Ideal Lover Erotic massage turns you on and sharing an aromatic bubble bath with your partner puts you in a playful mood. You enjoy making a production of your lovemaking with sexy attire, sumptuous bedding, candles, and music. With this entertainingly erotic guide, you'll learn intimate sex secrets about yourself, as well as those of your lovers—past, present, and future!

Go beyond your sun sign to find your place in the cosmos! Do you want to uncover your partner's secret desires and fantasies? Enhance your health, rev up your career, improve your mind? Develop a more intimate knowledge of your own personality . . . and a deeper understanding of those you love? Your character isn't influenced just by your sun sign. It is shaped by the natural rhythms at work on the precise day you were born. The Book of Birthdays, written by acclaimed British astrologer Russell Grant, shows you how to use this exciting astrological breakthrough to achieve a more dynamic understanding of yourself, your mate, and your world. Are you a bright, energetic spring baby? A vividly colorful child of the fall? Were you born in the heat of summer or the waning light of winter? Unlike any other astrology book, The Book of Birthdays reveals how the season of your birth affects the huge collective of characteristics that makes you unique. Also learn: • How the exact time of the day you were born sets you apart from others who share your sun sign • How the changing cycles of nature will influence all the seasons of your life • Insight into the quirks and tendencies that make you you! With individualized tips for robust mind and body health and inspirational personality profiles for every day, The Book of Birthdays is a must for every astrology buff—and a happy celebration of every birth date of the year!
