Created through a "student-tested, faculty-approved" review process with hundreds of students and faculty, WORLD is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners.

Connect students to the stories of history. Connect students to success in history. Connect students to the experience of history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. The new edition of The West in the World is a direct result of this in-depth research. The West in the World ' s newest edition is also a first in the teaching and learning of Western Civilization. Its groundbreaking web-based digital solution, its unique mid-length and lively narrative, and its rich, outstanding visuals creates a unique teaching and learning environment propelling greater student success and overall improved course results. Instructors gain better insight into students' engagement and understanding as students develop a base of knowledge and construct stronger critical thinking skills. Unparalleled coverage of art and culture as well as science and technology sets the stage and provides rich insights into historical time periods and events. The captivating stories and lush images keep students turning the page, helping prepare for class discussion and course work while its new teaching and learning platform, Connect History, enables students to engage with the course content on a greater level. The West in the World illustrates the significance of economic, political, social and cultural interactions that shaped Western civilization while asking students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. With The West in the World, students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. As students uniquely experience the history of Western Civilization, The West in the World propels students to greater understanding and the achievement of greater course success. Experience The West in the World and experience greater course success.

This study guide is useful to: Decide which exams to take. Read detailed descriptions of the exams that will help you choose your study resources. Familiarize yourself with the types of questions on the exams. Learn how the College-Level Examination Program (CLEP®) can help advance your path to a college degree. What Is CLEP? CLEP, the College-Level Examination Program, gives students the opportunity to receive college credit by earning qualifying scores on any one or more of 34 exams. Nearly 3,000 colleges and universities in the United States will grant credit for CLEP exams. More than seven million students have taken CLEP exams since 1967. Now it's your turn to move ahead in your education and career with CLEP! Book jacket.

Connect History, an innovative online assignment and assessment platform, which combines a fully integrated eBook with powerful learning and teaching tools. Tools that make assessment easier, learning more engaging, and studying more efficient. For example within Connect History, engaging interactivities such as Critical Missions immerse students in pivotal historical events, asks them to explore these situations, and then, make recommendations based on their findings. Connect History sharpens students ' analytical skills, increases historical understanding, and improves overall course success.
