How do I write a personal statement for an Art ... - My Tutor

A Personal Statement provides admission officers in your chosen universities the opportunity to filter the talented students from the large pool of applications. A Personal Statement is your chance to shine, it's your only opportunity in the UCAS application to demonstrate your personality, academic intelligence and most importantly who you are and why you want to study at your chosen ...

"...in these compelling stories of loss lies the possibility of renewal, both for the characters and for ourselves." Kimberly Meyer, *The Book of Wanderings* Dorie, a divorced middle-aged woman, has given up on life. Living in a large, too-quiet house in Houston, Texas, she has shut herself off from the world, preferring to be alone with her books and her thoughts. When Dorie unexpectedly receives an invitation to her ex-husband's wedding, it is more than she can bear. She retreats to the only place she finds any solace—the sea. Meanwhile, Clementine, a young artist overwhelmed by grief, makes a journey in search of her lost boy. Teetering on the edge of madness, she wanders up and down the Texas Gulf Coast, trapped in a space between reality and dreams. On a moonlit winter night, she emerges from the waves, staggering along the shore near the remnants of her shattered life. Soon after moving into her little yellow house by the sea, Dorie discovers Clementine's journal and begins obsessively devouring each word. Her curiosity leads her into a journey of self-discovery, connecting her to the raw beauty of Bolivar Peninsula and the eccentric, generous locals who call it home. Fate has brought both women to this small rural community. When their paths finally collide, will they drag each other into despair or begin to transform into who they were meant to be? A story of human resilience, *Shiny Bits in Between* explores the journey of transformation through connection with self, community, and the landscape we call home. What does it truly mean to move forward after a life-changing tragedy? Is happiness forever lost, or are the shiny bits in between enough?

Janel Burroway's bestselling *Imaginative Writing: The Elements of Craft* explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. "Try-This" exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. "Working toward a draft" exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface "Invitation to the Writer" has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!

Volumes in *Writing Spaces: Readings on Writing* offer multiple perspectives on a wide-range of topics about writing, much like the model made famous by Wendy Bishop's "The Subject Is . . ." series. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about developing nearly every aspect of craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Topics in Volume 1 of the series include academic writing, how to interpret writing assignments, motives for writing, rhetorical analysis, revision, invention, writing centers, argumentation, narrative, reflective writing, Wikipedia, patchwriting, collaboration, and genres.

Planting the Seeds of Imagination Holly Ordway has established herself as one of the preeminent voices in the field of cultural apologetics. Her ability to engage with the imagination is clearly demonstrated through her own scholarly work, most recently the paradigm-shifting *Tolkien's Modern Reading*, but her influence was critical in the founding of *An Unexpected Journal* as well. This collection of essays, poetry, and stories demonstrates her wide-ranging impact that is truly bearing a fruitful harvest. Contributors "Maps," My Map by Jesse W. Baker on the importance of poetry, "Contrary Winds: Tolkien's Priority of Faith and Family" by Donald W. Catchings, Jr. on Tolkien's personal values, and "The Call" on the teacher's call. A review of Tolkien's *Modern Reading* by Annie Crawford "Drawing the Drawing Out of Me" by Virginia de la Lastra on a pleasant surprise, "Ordway's Myth-Busting Research: Tolkien's *Modern Reading* (A Review)" by Ryan Grube on a paradigm shift, "Poetry as Prayer, Imagination the Spark to Worship and Service: Ordway's Review of Gerard Manley Hopkins in *Word on Fire's* Ignatian Collection" by Seth Myers on contemplation, poetry, and missionizing, "A Passage to Something Better" by Annie Nardone on Tolkien's approach to virtue. An interview with Holly Ordway "Middle-earth and the Middle Ages" by Joseph Pearceon the influence of Beowulf. "Dr. Ordway's Visual Guide to Paragraph Structure" by Josiah Peterson on creating meaning, "Lost and Found" by Theresa Pihl on changing perspective; "Learning Writing at Writespace" by Jamie Danielle Portwood on the importance of community, "Gandalf: The Prophetic Mentor" by Zak Schmol on the Defeat of Sauron, "A Case of Mistaken Identity" by Jason M. Smith on our great misconception, "Peak Middle-earth: Why Mount Doom is not the Climax of *The Lord of the Rings*" by Michael Ward "Echo and Narcissus" by Clark Weidner on the goodness of reality, "Some Real Magic: Taliesin Lectureth in the School of the Poets" and "The Challenge of 'The Republic'" by Donald T. Williams on poetic imagination. "Unveiling Reality Through the Imagination" by Jared Zimmerer on a strategy to fight meaninglessness.
