Optional SATS Papers - Year five Maths. There are two sets of optional Maths papers available for children to use as practice papers. Because they are now a little adrift from the syllabus and the new format of KS2 tests they should not be used to mean anything definitive in terms of results. When these papers are used they should simply be seen as a good benchmark of progress.

Prepare with confidence for the end of year SATs tests with Scholastic National Curriculum Tests. Scholastic's practice tests are fully in line with the Year 2 and Year 6 SATs Tests Each book contains two complete practice tests and a guidance and mark scheme. These practice tests have a similar look to the real test, to help familiarise children with both the content and format of these tests. The guidance and mark scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them. [Content previously published as separate test papers in packs of the same name]
