Joseph

Or maybe they'll find themselves asking why someone with Alithea's training can't tell a more coherent story, when Joseph Campbell tried-and-true monomyth has worked so well for Miller before.

A perspective on the public sector that presents a concise and comprehensive analysis of exactly what it is and how it operates. Governments in any society deliver a large number of services and goods to their populations. To get the job done, they need public management in order to steer resources – employees, money and laws – into policy outputs and outcomes. In well-ordered societies the teams who work for the state work under a rule-of-law framework, known as public administration. This book covers the key issues of: the principal-agent framework and the public sector public principals and their agents the economic reasons of government public organization, incentives and rationality in government the essence of public administration: legality and the rule of law public policy criteria: the Cambridge

and Chicago positions public teams and private teams public firms public insurance public management policy Public Administration & Public Management is essential reading for those with professional and research interests in public administration and public management.

Text and colorful drawings present a lively portrait of the history of the rock group, the Bee Gees.

Fills a Need: For biblically based, thoroughly researched plays for a general audience. Is Fun: Laugh as members of the body of Christ sing and dance their way into your church. See others--and maybe yourself!--in the kindness of Heart, the gossip of Ear, the pride of Head, and the independence of Eye. Honors Women: Lets Mary tell Joseph of the angel Gabriel's visit. Recognizes Elizabeth's importance; she tells Luke 1 from her perspective. Is Funny: Human beings get in fixes and messes. Watch how God--with gentleness, humor, and tough love--delivers his people time and again. Encourages Participation: Suitable for actors ages nine to ninety-nine! Fosters Dialogue: Each play ends with Questions for Discussion. Shows Theology in the Making: Do theology the Godly way--with boots on the ground! Consider this evangelism model: The disciples have just seen the risen Lord Jesus ascend into heaven and can't wait to tell all Jerusalem!

Invites Imagination: The characters in Proverbs gather in the marketplace and tell Simple Youth, a first-year university student, about their lifestyles. Which will he follow? Promotes This Concept: We all play our lives on stage to an audience of One: God.

This collection of thirty-six classic short stories from the fifties to the eighties features works by authors such as James Baldwin, Barry Hannah, Bernard Malamud, Flannery O'Connor, Philip Roth, Anne Beattie, and Tobias Wolff

The striking scene of Judith cutting off Holofernes's head with his own sword in his own bed has inspired the imaginations of readers for millennia. But there is more to her story than just this climactic act and more to her character than just beauty and violence. This volume offers a comprehensive examination of gender ideologies in the book of Judith, from the hyper-masculine machinations of war and empire to the dynamics of class in Judith's relationship with her enslaved handmaid. Overall, this commentary investigates the book of Judith through a feminist lens, informed by critical masculinity studies, queer theory, and reception criticism.

Lostracco Joseph

Much has been written about prominent women of the Bible such as Sarah, Ruth, and Esther. But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded. Yet even while mute, these women often played critical roles in the unfolding of God's plan, at times signaling the emergence of great events. In *Jeroboam's Wife*, Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls. Through her careful examination of the literary contours of the biblical narratives, she highlights their unique challenges and indelible contributions. Drawing from contemporary biblical, psychological, and sociological scholarship, Branch brings these women and their stories to life in fresh ways. Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women's lives are still relevant.
